Another Day, Another Doxx

Anonymous submission to MTL Counter-info

Over the last week, since the revelation that Daily Stormer honcho “Zeiger” lived in Montreal and the private forum of the neonazi “Montreal Stormer Book Club” has been leaked, hundreds of posters have gone up in Montreal to expose these nazi scumbags. Some posters contain the previously-unpublished addresses of **Vincent Bélanger Mercure** (4350 Melrose Avenue, NDG, Montréal) and **Philippe Gendron** (6735 Rue Fabre).

Here are the files you can print and post yourselves. But be careful, and watch out for the fash – some have been spotted running around their neighbourhoods removing posters of themselves.
